**ORDER GRANTING MOTION FOR
FINAL APPROVAL OF CLASS
ACTION SETTLEMENT AND
MOTION FOR APPROVAL OF
ATTORNEYS FEES, EXPENSES, AND
SERVICE AWARD TO CLASS
REPRESENTATIVE PLAINTIFF**

Re: Dkt. Nos. 96, 97

WHEREAS, the Court, having considered the Second Amended Settlement Agreement filed August 1, 2023 (the “Settlement”) between and among Named Plaintiff and Class Representative Kamal Bitmouni (“Plaintiff” or the “Settlement Class Representative”), individually and on behalf of the Settlement Class, and Defendant Paysafe Payment Processing Solutions, LLC (“Paysafe” or “Defendant”) (collectively, the “Settling Parties”), having considered the Court’s Order Granting Preliminary Approval of Class Action Settlement Agreement and Conditionally Certifying Settlement Class for Settlement Purposes Only (“Preliminary Approval Order”), having held a Final Approval Hearing on February 2, 2024, having considered all of the submissions and arguments with respect to the Settlement, and otherwise being fully informed, and good cause appearing therefor;

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

1. Plaintiff's Motion for Final Approval of Class Action Settlement Agreement and
2 Motion for Award of Attorneys' Fees, Costs, and Expenses, and Class Representative Service
3 Award are GRANTED as set forth below.

2. This Order incorporates herein and makes a part hereof, the Settlement (including
5 its exhibits) and the Preliminary Approval Order. Unless otherwise provided herein, the terms
6 defined in the Settlement and Preliminary Approval Order shall have the same meanings for
7 purposes of this Order and Judgment.

3. The Court has personal jurisdiction over Plaintiff, the Settlement Class Members,
8 and Defendant for purposes of this settlement, and has subject matter jurisdiction over this matter
9 including, without limitation, jurisdiction to approve the Settlement, confirm certification of the
10 Settlement Class for settlement purposes only, to settle and release all claims released in the
11 Settlement, and to dismiss the Action with prejudice.

I. CERTIFICATION OF THE SETTLEMENT CLASS

4. Based on its review of the record, including the Settlement, all submissions in
14 support of the Settlement, and all prior proceedings in the Action, the Court finally certifies the
15 following Nationwide Class and California Subclass (collectively, the "Settlement Class") for
16 settlement purposes only:

17 The Settlement Class: All individuals identified on the Settlement
18 Class List, including all individuals who were notified by direct notice
19 by Paysafe, that their personal information was or may have been
compromised in the Data Security Incident.

20 5. Excluded from the Settlement Class are: (1) the judges presiding over this
21 Litigation, and members of their direct families; and (2) Defendant, its subsidiaries, parent
22 companies, successors, predecessors, and any entity in which the Defendant or its parents have a
23 controlling interest and their current or former officers, directors, and employees.

24 6. Also excluded from the Settlement Class is Lisa Fairchild, who submitted a timely
25 and valid Request for Exclusion from the Settlement Class prior to the Opt-Out Deadline. Such
26 person shall not receive the benefits of the Settlement and shall not be bound by this Order or the
27 separate Judgment entered in this case.

1 7. For settlement purposes only, with respect to the Settlement Class, the Court
2 confirms that the prerequisites for a class action pursuant to Federal Rule of Civil Procedure 23
3 have been met, in that: (a) the Settlement Class is so numerous that joinder of all individual
4 Settlement Class members in a single proceeding is impracticable; (b) questions of law and fact
5 common to all members of the Settlement Class predominate over any potential individual
6 questions; (c) the claims of Plaintiff are typical of the claims of the Settlement Class; (d) Plaintiff
7 and proposed Class Counsel will fairly and adequately represent the interests of the Settlement
8 Class; and (e) a class action is the superior method to fairly and efficiently adjudicate this
9 controversy. No class member objected to the Settlement or appeared at the Final Fairness
10 hearing.

11 **II. NOTICE TO THE SETTLEMENT CLASS**

12 8. The Court finds that Notice has been given to the Settlement Class in the manner
13 directed by the Court in the Preliminary Approval Order. The Court finds that such Notice: (i)
14 was reasonable and constituted the best practicable notice under the circumstances; (ii) was
15 reasonably calculated, under the circumstances, to apprise Settlement Class Members of the
16 pendency of the Action, the terms of the Settlement including its Releases, their right to exclude
17 themselves from the Settlement Class or object to all or any part of the Settlement, their right to
18 appear at the Final Approval Hearing (either on their own or through counsel hired at their own
19 expense), and the binding effect of final approval of the Settlement on all persons who do not
20 exclude themselves from the Settlement Class; (iii) constituted due, adequate, and sufficient
21 notice to all persons or entities entitled to receive notice; and (iv) fully satisfied the requirements
22 of the United States Constitution (including the Due Process Clause), and any other applicable
23 law.

24 9. Furthermore, the Court finds that notice under the Class Action Fairness Act was
25 effectuated within the time required by 28 U.S.C. § 1715, and that ninety (90) days has passed
26 without comment or objection from any governmental entity.

27 **III. FINAL APPROVAL OF THE SETTLEMENT**

1 10. The Court finds that the Settlement resulted from arm's-length negotiations
2 between Class Counsel and Defendant.

3 11. The Court hereby finally approves in all respects the Settlement as fair,
4 reasonable, and adequate, and in the best interest of the Settlement Class.

5 12. The Court finds that Plaintiff and Class Counsel fairly and adequately
6 represented the interests of Settlement Class Members in connection with the Settlement.

7 13. The Settling Parties shall consummate the Settlement in accordance with the terms
8 thereof. The Settlement, and each and every term and provision thereof, including its Releases,
9 shall be deemed incorporated herein as if explicitly set forth herein and shall have the full force
10 and effect of an order of this Court.

11 **IV. DISMISSAL OF CLAIMS AND RELEASE**

12 14. The Action is hereby dismissed with prejudice as to all Parties including the
13 Settlement Class and without cost to any party, except as otherwise provided herein or in the
14 Settlement.

15 15. Upon the Effective Date, and in consideration of the benefits set forth in the
16 Settlement, each of the Settlement Class Representative and Participating Settlement Class
17 Members, and each of their respective heirs, executors, administrators, representatives, agents,
18 partners, successors, attorneys, and assigns, present and former ("Releasing Parties"), shall be
19 deemed to have fully, finally, and forever released, acquitted, and discharged Paysafe and its
20 present and former predecessors, successors, assigns, parents, subsidiaries, divisions, affiliates,
21 departments, and any and all of their past, present, and future officers, directors, employees,
22 stockholders, partners, servants, agents, successors, attorneys, advisors, consultants,
23 representatives, insurers, reinsurers, subrogees and the predecessors, successors, and assigns of
24 any of the foregoing (collectively, the "Released Persons") from any and all Released Claims.
25 This release expressly includes Paysafe's insurer with respect to all obligations under any part of
26 the insurance policy applicable to the Released Claims, and from any and all claims arising out of
27 the investigation, handling, adjusting, defense, or settlement of the claim including, without
28 limitation, any claims for negligence, invasion of privacy, violations of California's Unfair

1 Competition Law (cal. Bus. & Prof. Code § 17200, et seq.), and violations of California's
2 Consumer Privacy Act (Cal. Civ. Code § 1798.150).

3 16. For purposes of this Final Approval Order, "Released Claims" means any and all
4 claims or causes of action of every kind and description, including any causes of action in law,
5 claims in equity, complaints, suits, or petitions, and any allegations of wrongdoing, demands for
6 legal, equitable or administrative relief (including, but not limited to, any claims for injunction,
7 rescission, reformation, restitution, disgorgement, constructive trust, declaratory relief,
8 compensatory damages, consequential damages, penalties, exemplary damages, statutory
9 damages, punitive damages, attorneys' fees, costs, interest or expenses) that the Releasing Parties
10 had, have, or may claim now or in the future to have (including, but not limited to, assigned
11 claims and any and all "Unknown Claims" (as defined in the Settlement) that were or could have
12 been asserted or alleged arising out of the same nucleus of operative facts as any of the claims
13 alleged or asserted in the Litigation, including but not limited to the facts, transactions,
14 occurrences, events, acts, omissions, or failures to act that were alleged, argued, raised, or
15 asserted in any pleading or court filing in the Litigation, including but not limited to those
16 concerning: 1) the disclosure of the Participating Settlement Class Members' personal
17 information in the Data Security Incident; 2) Paysafe's maintenance of the Participating
18 Settlement Class Members' personal information as it relates to the Data Security Incident; 3)
19 Paysafe's security policies and practices as it relates to the Data Security Incident; or 4) Paysafe's
20 provision of notice to the Participating Settlement Class Members following the Data Security
Incident.

21 17. Upon entry of this Final Approval Order and Judgment, the Settlement Class
22 Representative and other Participating Settlement Class Members are enjoined from prosecuting
23 any Released Claims in any proceeding against any of the Released Parties or based on any
24 actions taken by any of the Released Parties that are authorized or required by the Settlement or
25 by this Final Approval Order and Judgment. Likewise, Paysafe and its representatives, officers,
26 agents, directors, affiliates, employees, insurers, and attorneys shall be enjoined from prosecuting
27 any claim they have released in the Settlement in any proceeding against the Settlement Class
28 Representative and Class Counsel or based on any actions taken by the Settlement Class

1 Representative and Class Counsel that are authorized or required by the Settlement or by this
2 Final Approval Order and Judgment. The Settlement may be pleaded as a complete defense to
3 any claim or proceeding described in this Paragraph.

4 **V. ATTORNEYS' FEES, COSTS, AND EXPENSES AND REPRESENTATIVE
5 PLAINTIFF'S SERVICE AWARD**

6 18. The Court awards attorneys' fees of \$500,000.00 and litigation costs in the amount
7 of \$28,174.55. The Court further awards Kroll Settlement Administration, LLC ("Kroll")
8 \$146,257.66 for notice and administration costs incurred as of January 25, 2024. Kroll may seek
9 reimbursement of the remaining costs of administration, consistent with the Preliminary Approval
10 Order and the terms of the Settlement, at the completion of administration of this matter.
11 Finally, a service award in the amount of \$15,000 shall be paid to Plaintiff. The Court directs the
12 Settlement Administrator to pay such amounts in accordance with the terms of the Settlement.
13 Class Counsel, in their sole discretion to be exercised reasonably, shall allocate and distribute the
14 attorneys' fees, costs, and expenses awarded by the Court among Plaintiff's counsel of record in
15 the Action.

16 **VI. OTHER PROVISIONS**

17 19. Without affecting the finality of this Final Approval Order in any way, the Court
18 retains continuing and exclusive jurisdiction over the Settling Parties and the Settlement Class for
19 the purpose of consummating, implementing, administering, and enforcing all terms of the
20 Settlement.

21 20. Nothing in this Final Approval Order, the Settlement, or any documents or
22 statements relating thereto, is or shall be deemed or construed to be an admission or evidence of
23 any violation of any statute or law or of any liability or wrongdoing by Defendant.

24 21. In the event the Effective Date does not occur, this Final Approval Order shall be
25 rendered null and void and shall be vacated and, in such event, as provided in the Settlement, this
